

TMC PFS Agenda Item # 2: I-95 Corridor Coalition Membership

To: Jon Obenberger

Steering Committee Chair Bill Stoeckert sent me information about the TMC Pooled Funds Study, and we discussed the possible participation of the Coalition. We agree that both the Pooled funds Study and the Coalition would benefit from participation, and that establishing a liaison through the Coalition's Incident Management Program Track would be the appropriate point of contact. I am forwarding the materials regarding the program to Marygrace Parker, the Coalition staff person who provides support to the IM Track, for review with the Track Leadership. She will follow-up with you regarding any upcoming Study activities. Her phone # is 518-436-2817 or Marygrace_Parker@Thruway.state.ny.us

I also understand that some financial commitment will be required to fully participate in the Study. I will be reviewing this with Coalition Leadership, and will file a more formal commitment form in the near future.

Please let me know if additional information is required at this time. We appreciate the opportunity to participate and, if our request is approved, look forward to attending the Pooled Fund Committee meeting May 15th and 16th.
